*Changing Lives by Preventing Harm and Providing Hope & Healing To Hurting Children and Families*

Believe it or not our Old- Fashioned Apple Harvest is just around the corner. October 7-8, 2023, marks the 50<sup>th</sup> Anniversary of this well attended fundraiser (10,000+ depending on the weather). All proceeds from the festival provide us with the ability to give our residents/clients the extras not covered by state/federal funding. We are therefore seeking sponsorships for this golden anniversary. This is your opportunity to show your support for our agency that provides Hope and Healing to families throughout West Virginia and Garrett County, MD. Whatever your decision, please continue to pray for the children and families that we serve.
